## EXPERIENCES

### K-12 and Higher Education

I have focused on closing the divide between K-12 and higher education, utilizing my expertise in student success, retention, advising, and programming to foster a unified educational pathway. With a comprehensive approach, my goal has been to ensure a smooth transition for students middle school to college. Through the adoption of innovative strategies and tailored programs, I have enhanced student engagement, success rates, and retention. This endeavor has broadened my understanding of the educational landscape and deepened my commitment to advancing student accomplishments at every level of their educational journey.

## CURRENT COLLABORATIONS

### Successful Innovations, Inc.

Building on a robust foundation of 30 years of combined experience across both higher education and K-12 sectors, I have entered into a partnership with Successful Innovations, Inc., a company internationally acclaimed for its expertise in education reform and strategic family engagement solutions. This collaboration extends to offering training and delivering speeches on pivotal topics within the realm of education.

### Speaking & Training

With over three decades of experience, I have honed my skills in training leaders across higher education, ministry, and among college students, equipping them with the insights and tools necessary for transformative leadership.

### Mentoring & Coaching

My mentoring and coaching philosophy is centered around nurturing personal growth and advancing professional development. I am dedicated to ensuring that everyone I guide is equipped to pursue their distinct journey confidently and clearly towards success. This dedication to impactful and revolutionary mentorship stands out as a key feature in my professional portfolio.

### Secret Knock Council

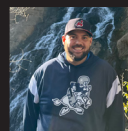

Secret Knock™ is renowned as the premier networking event globally, offering an unparalleled platform for engaging with some of the most brilliant and influential minds. It affords me the privilege of not only serving on the council but also connecting with an elite circle, including billionaires, millionaires, sports celebrities, investors, and more. This unique gathering fosters an environment of collaboration and innovation, making it a hub for networking at the highest levels.

## TESTIMONIALS

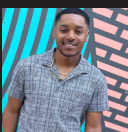

Dr. Thomas possesses a captivating engagement style and a remarkable ability to connect with individuals, fostering meaningful relationships. His mentorship has been incredibly significant to me, offering targeted guidance and unwavering support throughout my doctoral studies.

**Rolanda Horn, Ph.D.**  
Higher Education Administrator

I had the distinct pleasure of meeting Dr. Herb during a speaking engagement, and I must say, his ability to 'Bump Dots'—that is, to forge meaningful connections—is truly unparalleled. His approach is not just a momentary effort but a sustained commitment to building and nurturing relationships.

**Tony Torress,**  
COR13 Capital, Founder & Principal

Meeting Dr. Herb as a freshman in college was a pivotal moment in my life. His role as a coach and mentor has been instrumental in shaping both my personal and professional journey. What sets him apart is his unwavering dedication to his mentees. His approach goes beyond traditional mentorship; it's a blend of genuine care, insightful guidance, and a steadfast commitment to seeing others succeed.

**Kristopher Stovall**  
Contracts Manager, Amazon Web Services

As a bestselling author and international speaker myself, I view Dr. Herb Thomas not just as a peer in achievement but also as a guiding mentor and trusted confidant. His coaching and teaching have propelled me toward new levels of success. The wisdom and mentorship I have received from him over the last 18 years have been both profound and life-altering.
